DOWNTOWN  
COLLINGWOOD

## Restaurant Walking Tour

SPRING

*The past five years all sold out early!*

**April 19, 2009 1pm-4pm \$35**

### Imagine

April Showers have washed most of winter away, the sun has been working hard to wake up the slumbering animal life, buds are beginning to break through on the recently snow covered trees. Tulips and daffodils have poked their beautiful petals through the left over snow. There is a feeling of excitement and the urge to break free of your dwelling and interact with the people of this great town once again.

Join us when once again we tour the streets of beautiful, historic downtown Collingwood and embrace the spring season by tasting the incredible cuisine of our unique and excellent restaurants and foodie shops. This year there are lots of new experiences, plus some old favourites.

*Only 200 tickets will be available!*
